EAST GERMANYMILITARY/AIRActivity in PASEWALK - ANKLAM Area.ANKLAM airfield

1. The airfield is located 2½ Km S. of ANKLAM and W. of high road no. 197. No air force unit is stationed here and no construction has taken place in recent years.
2. The field is occasionally used by D.D.R. LUFTHANSA biplanes engaged in pest control, spraying fields etc.
3. Occasionally also the field is used as a base for pleasure flights for the local population. Planes land and take off using a grass runway. No radar or radio installations are on the field.
4. On 25th August some 40 E.G.A. trucks were lined up on the airfield and the drivers were given driving instruction and practice. This happens frequently.

Rail Transport at PASEWALK

5. At 0930 hours on 26.8.59 an E.G.A. rail transport was halted at PASEWALK goods station. It was coming from the STRALSUND direction and travelling towards PRENZLAU :

40 x M-wagons with EGA troops.
 1 x flat with 1 medical truck and 1 field kitchen.
 3 x flats each carrying 1 x W/T truck
 6 x flats each carrying 2 x A/T tanks (muzzle brake, barrel some 7 metres long, square recoil mechanism below the barrel, split bcr section trails, double-tired).

No TPMS or trucks for the A/T guns were on the train.

PASEWALK Radar Site

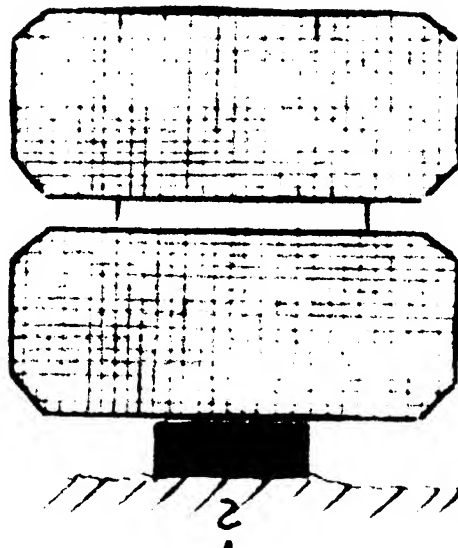

6. During the first half of August 1959 another radar array was added to the radar site at MR 306296, some 2 Km W. of PASEWALK.
7. The new array looks like a WOOD GAGE, except that it has two truncated parabolas, one above the other, instead of one. Attached at Appendix "A" is a sketch of the upper part of the array.

Students' Military Training

26th August 1959 some 35 - 40 students aged 18 - 19 were sent on 10 days' military training at EGGESIN. When beginning their training in East BERLIN, and elsewhere in the D.D.R., they had had to undergo a spell of 14 days' military training every 6 - 7 weeks.

number of the group had received training in the use of A/A guns
 3. Others had received tank and artillery training in the same
 The tanks used for training were T 34.
